PROFILE

I am an ambitious and hard-working graduate at the field of **Electrical and Computer Engineering**. My diploma thesis was about algorithms for task-applications offloading in a two-tiered cloud computing environment. During my studies I have gained a very strong background in **computer science** and **software engineering** which helped me to successfully complete numerous academic projects and take part in an international graduate consultant program, called AKKAdemy.

PROFESSIONAL EXPERIENCE

Travelsoft Ltd, Athens, Greece   March 2016 - March 2018
Database Developer & Administrator

· During my studies, I was hired as a database developer in Travelsoft Ltd, a company releasing mostly travel managing applications. I was responsible for APIs integration using XML-JSON Web Services and for query optimization in Transact-SQL.

AKKA DNO GmbH, Cologne, Germany   September 2018 - Present
Software Engineer

· I joined AKKA DNO GmbH as a software engineer consultant. The main fields that I worked on were HMI Applications Development using QT Framework (C++/QML) and development, analysis, review and restructuring of Embedded C code mostly related with the automotive sector.

EDUCATION

National Technical University of Athens   *September 2012 - March 2018*
Master in Engineering (MEng)   Grade: 8.82/10
Department of Electrical & Computer Engineering
Diploma Thesis : Online Algorithms for Location-Aware Task Offloading
in Two-Tiered Mobile Cloud Environments   Grade: 10/10

TECHNICAL SKILLS

Generic Programming Languages	C, C++, Java, Python, Javascript
Front-End Programming Languages	HTML, CSS, QML
Back-End Programming Languages	T-SQL, PHP
Frameworks	QT
Version Control Tools	Git applied in Github & Bitbucket
Experience with OS	Linux, Windows
IDEs	Eclipse, QT Creator, SSMS
Modeling and Analysis	Matlab
Other Software Tools	MS Office, Latex

QUALIFICATIONS

English Certification, Level C2 (University of Michigan - ECPE), May 2010

German Certification, Level C1 (Goethe-Zertifikat), February 2010

Udemy Courses Attended:

- Robust Qt & C++ Gui Programming 2D Graphics App Tutorials
- C# Basics for Beginners: Learn C# Fundamentals by Coding
- Windows Presentation Foundation Masterclass (WPF)
- Jekyll: make fast, secure static sites and blogs with Jekyll
- Learn Bootstrap 4 by Example

Driving License Full Clean - Driving since 2012

LANGUAGES

English	Full professional proficiency
German	Professional working proficiency
Greek	Native Language
